HAMILTON EXCHANGES BANNERS OF PEACE

With Robertson College, of Alberta, Canada. Dr. Farrell Makes Chapel Presentation

With cheers and "My Country, 'Tis of Thee," as an encore, the College received thru Dr. Stryker Wednesday morning in Chapel a Canadian flag, sent by Robertson College of Edmonton, Alberta, Canada, in exchange for the Stars and Stripes sent by Hamilton. The exchange commemorates a century of peace between the United States and Great Britain.

Dr. T. H. Farrell of Utica, a close friend of Principal S. W. Dyde of Robertson College, presented the flag in his behalf, making a most fitting speech which related the events during the last 100 years during which the bordering countries have lived amicably side by side. Dr. Farrell said in part:

Celebration Delayed

"The celebration of one hundred years of peace between the United States and Great Britain is an event unique in international history. From 1814 to 1916 the countries have lived side by side in amity with no fortresses to guard their borders and only such rivalry as exists in the prosecution of the arts of peace. Committees had been apopinted in the two nations in 1914 to arrange for an international celebration, but owing to the present war such a plan could not be carried out.

"It occurred to Principal Dyde of Robertson College, however, that the colleges of the countries should not miss the lesson of the occasion, and thru the co-operation of your honored president we are gathered today to consummate the exchange of flags of the two countries."

Hamilton Sent Stars and Stripes

At this point Dr. Farrell unfurled the large bunting and draped it a-

1917 Hamiltonian Arrived Last Week

Junior Publication Best in Recent Years, Says Reviewer. Stunt Pictures a Feature

The 1917 Hamiltonian, which has "been coming" since the Easter recess, put in its appearance Tuesday of last week when Manager Shields distributed the first shipment of copies upon the Hill. The trite saying, "Good things come slow," is well exemplified in the case of this year's Junior annual, which surpasses in many respects previous efforts. It is gotten up in attractive style and is full to the covers with spicy feature stunts and conventional articles. The book shows in every detail the results of the thought and work which Editor Seaver and Manager Shields have put upon it.

To Joseph Rudd, '90.

The editors of the book have dedicated the result of their labors "to one whose close association with the College has become an invaluable asset," Joseph Rudd, '90. They make a sincere tribute to one who has served the College faithfully for years and who doubtless will continue to do so.

The volume is attractively printed and bound, this part of the work being done by the Thomas J. Griffiths Press of Utica. It is considerably larger than last year's book, resembling in shape and size the 1914 annual It is abundantly illustrated with engravings made by the HowardWesson Co. of Worcester, Mass., from photographs taken by White of New York. In respect to the number and quality of its illustrations this years Hamiltonian holds its own with any similar work. The drawings.

TRINITY THE VICTOR IN DUAL TRACK MEET

Second and Third Places Win Dual Meet for Hartford Men. Score 62 to 55.

FOUR MEN WIN THE "H"

Trinity's track team proved a little too strong for the Hill contingent in Saturday's meet, winning by the score of 62 to 55. This was the first time the Hartford men have been on Steuben Field. Neither team sustained considerable lead at any time during the afternoon, but when Trinity took all three places in the broad jump, the last event, Hamilton's fate was decided. The results of the 220 and 100 upset Coach Risley's advance dope as he had hoped that Shields would break the tape in each of these events, but Goldstein of Trinity nosed out the Hamilton star in the 100 and shared first place with him in the longer dash. Goldstein also led Captain Nichols to the tape in the quarter in the excellent time, for this track, of 53 1-5 sec.

Hamilton Takes Distance Events

The Buff and Blue proved stronger than ever before in the distance events, however, capturing first position in the mile, two-mile and half-mile. Captain Crehore of Trinity, in the first two of these events, was humbled first by Brockway '17 and later by Parmelee '19.

Four Hamiltonians stripped the "A As" from their jerseys Saturday, Jones '17 taking first place in the hammer-throw, Flesh and Jessup '18 in the 120-yard hurdles and 880-yard dash, respectively, and Parmelee '19 in the two-mile.

The weights were an even break for the two colleges. Eastland of Trinity was an easy victor in the shot put with his team-mate Craig close behind. Woolnough took third. In the hammer throw, Jones heaved the iron 111 feet 10 in., while Woolnough's best throw was slightly nearer the circle. Nordstrom of Trinity took the remaining place with a short lead over Insley of Hamilton. Banks finally captured the high jump from Bjorn, Trinity's star, clearing the bar at 5 feet 8 1-4 ins. from the ground. In the broad jump, however, Bjorn saild thru the air for 21 feet 3 in. Banks could not place.

Shields Lost to Goldstein

The 100 was a complete surprise for the Buff and Blue men, for Shields has regularly run away with

Warfield, ex-'19, has been granted a deputy commissionership for the Alleghany Moutain district. Professor F. H. Wood will have charge of the Pioneer camp in the Adirondacks this summer. H. M. Schwartz. '07, will assist him.

The rehearsals are being held at various times, the work confined to separate scenes. In a short time Prof. Chase plans to go over the entire play, to put on the finishing touches before examination week. The terrace in front of the Chemistry Laboratory will soon be put in condition for the production, with strong electric lights for the staging of the performance.

The Brisk Smoke—"Bull" Durham

When you see an alert-looking young man in a lively argument roll a "Bull" Durham cigarette—it's the natural thing. He likes to punctuate a crisp sentence with a puff of "Bull" Durham. EDITORIAL.

Commencement Approaching.

To the Seniors Commencement Week is looming large all too rapidly, and to the three underclasses exam week means the end of all things. To those who soon will receive the sheepskin the significance of the exercises is self-impressed. Already they are busy with thoughts of the morrow and reminiscences of the past four years, awaiting the final word before plunging out into the human vortex of worldly life, the ever-seething, whirling mass of passionate money-grabbing, fame-seeking, soul-losing humanity, where they may struggle and gasp in the effort to keep their heads above water.

Be that as it may, the approaching Commencement exercises have another significance for the rest of us. **Life** wants to urge every man who possibly can, to remain on the Hill until the diplomas are awarded, to partake in the festivities common to alumni and undergraduates alike. The attractions of the final week this year are numerous. Besides the regular program of Prize Speaking, Debate, Alumni Meeting and Class Reunions, the Trustees have kindly donated a large Informal Dance and Concert, to finish off the evening after the "Menaechmi" of Plautus, by the Latin Club. Colgate will meet Hamilton in Baseball on Steuben Field. Class Day promises to be full of "stunts," and the Alumni Reunions attended better than ever. You who have not experienced the pleasure of welcoming the "old grads," of hearing the anecdotes about "when I was in College," and of mixing among Hamilton's famous men, to you **Life** says "wait and see."

To the Alumni **Life** can only echo the deep silent call of the Old Hill, while urging you to make your plans early, plans to arrive in Clinton on Thursday, June 15, and to stay here on the Campus right thru until Monday, June 19. We assure you of the heartiest welcome, and guarantee you one of the liveliest Commencements of all time. The Campus is always the same wonderful place, which is whispering to you to come back, to return for class and classmate reunions, to wander along the paths. Last but not least come and see Hamilton's nine meet Colgate's on Steuben Field.

A Larger Hamilton?

The recent entertainment of over seventy-five sub-Freshmen as guests of the College is noteworthy as marking a material step towards the "larger Hamilton." But this is only a beginning. Alumni and undergraduates alike have come to realize that Hamilton is far behind other colleges of her class in the enrollment game. Just at present the most important piece of work on the schedule of the undergraduates playing this game is the follow-up feature. The men sent on here by the Growth Committee are eligible for entrance. What is going to bring them here? Simply, plainly, nothing but following them up with arguments proving that Hamilton is the place for them, that Hamilton offers educational advantages which no other college of its kind presents, that the life on the Hill is "different," unique.

"Our hat is in the ring." From now on it is the duty of every undergraduate and every alumnus who takes any interest in his alma mater to keep hammering away at every "prospect." A larger Hamilton will result only by the efforts, the persistent efforts, of those directly interested. It is up to you. Sweat a little for your own benefit.

PROF. FANCHER WILL TEACH

Paul Fancher, A. B. Amherst '10, and A. M. Columbia '16, has been secured to fill the place made vacant by the resignation of Prof. Marsh, which will take effect in June, when Prof. Marsh leaves to enter Princeton to take up work for his Ph. D. in English. Professor Fancher is a graduate of Amherst, Class of 1910. After receiving his Master's degree from most of them from the pens of Columbia he was instructor in Pomfret School in Connecticut, and in St. Paul's School, Concord, N. H. During the last year he has been taking post-graduate work at Columbia and instructing there also. Next year Professor Fancher will take charge of the Writing English courses, and Professor Lewis the Public Speaking.

this event. Goldstein took 10 3-5 sec. for the distance, the identical time mad by "Bones" last week against Rochester when, owing to an error of th officials, he ran 102 yards. The 220 resulted in a tie between these two men, with Gilbert '18 close behind. In the 880, Johnson of Trinity lead for the first lap, but was

passed by Jssup '18 on the straightaway. The Sophomore held his advantage and finished first, while Coleridge sprinted up into second position at th last minute. In the 120-yard hurdles, Flesh '18 showed up well despite the fact that he twisted his ankle in practice immediately before the event. Riley '19, last week's star, led the field until he struck a hurdle with disastrous results near the finish. In the low hurdles, Robson won in 27 2-5 sec., while Valentine stumbled, and Trinity took the remaining four points.

Brockway and Parmelee Win

The mile was nip and tuck to the finish, the lead wavering from Brockway to Captain Crehore of Trinity. In the last 50 yards the Hamilton man showed more reserve power, and led to the finish by a close margin.

Parmelee's victory over the Trinity Captain in the 2-mile was headily won. Dogging his oponent's footsteps for seven and a half laps, the Freshman suddenly spurted and left the visiting chieftain far in the rear.

The pole vault went to the visitors, with Covert second.

Robie (trying to fasten on his number): Is there anything around here that looks like a pin?

COLGATE WILL HAVE ADVANTAGE

After today's clash with Union, there remain to Captain Miller's baseballers two games with Colgate during Commencement week to complete the 1916 season. June 16, at Clinton, and 17, at Colgate, mean some torrid baseball on the part of the Buff and Blue if they hope to come thru in the presence of the old grads. From comparative scores Colgate has the advantage.

Since Steve Royce left the Hill, Hamilton's success against the ball tossers from down the O. & W. has been nothing to brag about. Colgate in the two games last year persisted in pushing men around in spite of all that the Hamilton pitchers could do. This year they have beaten the Navy, Springfield, and Franklin and Marshall, while losing to Columbia and Syracuse. Springfield in a slugging match they downed 9 to 8, which is not a cheerful outlook as the Training School gave Hamilton a good trimming. Syracuse banished them with about the same score as they did Hamilton.

West in the box holds the burden of twirling for the Maroon. He has plenty of steam and is always a good bet. Brown, their other pitcher, Hamilton gave a good lacing two years ago to the tune of 15 to 4. Colgate will have an advantage by keeping in trim with scheduled games, one of them with Cornell, during Hamilton's two weeks of exams.

NORTHFIELD CONFERENCE

Friday night at Silliman Hall Mr. William Miller, a graduate of Washington and Lee University, gave a very urgent appeal for a big delegation of Hamilton men to go to Northfield this summer. The speaker gave a description of the locality and work, dwelling especially upon the number of famous men who are present at this conference. Miller is visiting the colleges and universities in this section in the interest of the summer conference.

COLLEGE men will find suit styles here at this store that are a year-ahead, and as exclusively ours, as our signature on a check. They are, of course—Maher Suits.

1917 HAMILTONIAN ARRIVED LAST WEEK

(Continued from p. 1)

Shields '17 and Fuller '19 are unusually clever.

More Attention to Student Life

The book contains the usual articles describing the life and activities of the College, more space being allotted to these departments than in former years. The humorous side of the book is a notable feature. The Junior scurfs are pointed and amusing while the special comic stories are unusually well written. One of the cleverest stunts is a dictionary of Hamilton slang.

HAMILTON WINS FROM MIDDLEBURY

Closest Game of the Season an Eighth Inning Victory for Home Team

SCHWARTZ WINS HIS GAME

Holding Middlebury to six scattered hits which tallied only one run, Schwartz practically won his own game Thursday by lining out a two-base drive in the eighth which sent Aldrich across the plate, and following him a second later on an overthrow from catcher to second. The game was the snappiest and most closely contested match of the home diamond this season. Both teams fielded well, the Buff and Blue men especially showing the "stuff." Captain Miller was pleased with the work of the team as a whole.

Double Play in Fourth

Crippen, the southpaw twirler for Middlebury, had good control over the situation thruout the game, allowing Hamilton only three hits. Errors were responsible for the two runs which the Buff and Blue put across. Christian played a stellar game at first and proved the strongest hitter in the opposing line-up.

Bresnahan, for the Vermonters, led off with a single and stole second. Lamere flied to Behan who doubled Breshnahan at second. Brickett walked and made third when Gow muffed a grounder towards first. "Cart" then pulled out of a hole by fanning the next man.

Scoring in Last Innings

Middlebury put the first score of the game across in the seventh frame when Robinson singled, stole second, and scored on Christian's two-bagger to deep center. The first of the eighth was featured by a double play, Schwartz to Higgins to Gow. The second half proved Hamilton's when Aldrich led off with a safe hit to center and Schwartz followed with another long smash in the same locality. Aldrich beat the ball to the plate for Hamilton's first score, and Schwartz raced after him when the second sacker muffed the peg from home.

Middleburys outlook soared again in the ninth when Brickett singled and took third on a passed ball. With two out Bartlett walked, and took a long lead off second trying to make the pitcher throw. Instead Schwartz ran toward second himself, forcing Brickett to start home where Captain Miller tagged him.

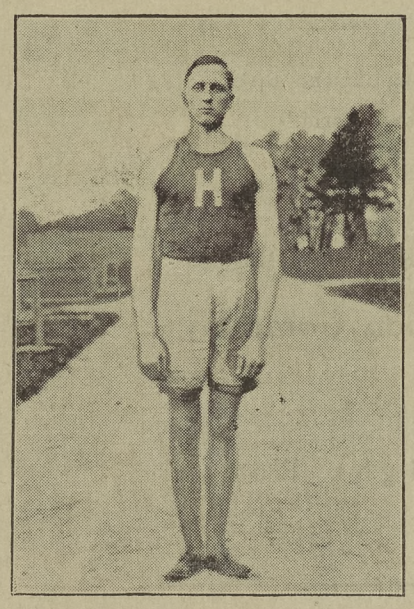
Track Men Clash With Union Today

Dopesters with wrinkled brows and soft pencils are finding the greatest difficulty to pigeon-hole the dual track meet between Hamilton and Union at Schenectady today. From the two meets each college has so far engaged in, it looks as if the last event will have to decide the winner.

From cold figures gathered in Union's clash with R. P. I., the broad jump, the shot put and the pole vault shape up like firsts for the Garnet. Hamilton has no men in these events who have done well. In the high and low hurdles Captain Mallen of Union is a star. Outside of Mallen Union is weak in these events, and Robson, Valentine, Flesh and Riley should be able to fill up the latter places at least.

Nichols, Shields, Banks and Woolnough Expected to Show Form

In the 440, the high jump, the hammer throw and the mile run Hamilton athletes should return victors. The Buff and Blue ought to take all three places in the 440, Union having no man that can do better than 56 seconds, according to advance dope. In the dashes, with Shields running true to form, the toss rather inclines towards Hamilton against Morrison, Union's speeder. The 220-yard dash and hurdles will be run on a curved track making these two events difficult for the visitors.



Shields, Star Sprinter for Two Years

Coach Risley and Captain Nichols will make no predictions

In keeping with Hamilton's usual large delegation, many have already profesed their intention of attending the annual Northfield Student Conference at East Northfield, Mass., from June 23 to July 2. Here the leading Christian men in the colleges of the Northern states annually congregate and listen to some of the greatest leaders of church and nation.

R.P.I. TAKES GAME IN 14TH INNING RALLY

Score See-saws Back and Forth, but With the Final Balance on Troy Men's Side

Hamilton was beaten by R. P. I. in a fourteen inning game at Troy last Saturday that should have been a victory for the Buff and Blue. The score see-sawed back and forth thruout the game, giving a total of 9 runs to the Troy men and 8 to the visitors.

Hamilton started the scoring in the third when W. Gow was safe on fielder's choice, M. Gow was safe on Robinson's error and Behan scored the Gows on a single. R. P. I. immediately tied the score in their half on a couple of hits and a brace of errors.

Plentiful Errors

In the fifth the Engineers scored once when Whitman made a wild throw to second and the ball bounded over Cavanagh's head. The seventh saw a double change in the lead. M. Gow got on thru an error, Behan doubled him home and came in a second later on a passed ball, then the Troyites netted two runs on an error and two hits in their turn, leaving them still one score to the good. Hamilton then changed the tables again in their next chance, when Aldrich walked, started to steal and was beaned taking third. Aldrich was safe at home and Whitman at first on error. Cavanagh singled to right scoring Whitman from second but was caught at second himself. In the ninth the home players tied the score on a pass and a hit by John Behan..

Tied Again in the 12th

All was quiet until the twelfth when Paige singled and Aldrich tripled him home, the game seeming to belong to Hamilton. With two men down McManus was hit by Whitman and reached third when Higbie was safe at first, then scored on a passed ball by Peck. Hamilton decided to sew the game up securely in the next inning as W. Gow was safe on an error, took second and tallied on his brother's single. Again R. P. I. doused Hamilton's hopes on a single, a passed ball and a single. Hamilton could do nothing in the first half of the fourteenth and R. P. I. won the game when there were two singles and a squeeze play was worked to put McManus over the plate with the winning run.

Whitman and Ferris pitched good games.

Cavanagh, Behan and Johnston each registered three hits leading the batting.

REUNIONS PLANNED FOR 1916 COMMENCEMENT

Classes of '66, '86 and '91 Expected to be on the Hill in Force

The 104th Commencement will see the class reunions of '68 and '91, and still others are expected to hold their regular reunions this year. Of the 15 remaining members of '66 as many as possible will gather on the Hill for their 50th anniversary. Wilmot E. Burton of Syracuse is in charge of the arrangements. The historical sketch of their class will be given to the expectant College by Hiram K. Kellogg of Geneva, who has prepared the half-century annalist's letter for 1916.

Reunion of '86

Dr. Edward Fitch '86 reports that an executive committee, after four years of labor, has completed a history of the Class of '86, which will contain about 150 pages and will be published in the first week of June. Among other things it will contain a short biography of each member, with a portrait of him as a student and as a "staid old alumnus." Forty-two of "Little Greek's" classmates are still living so that a large attendance may be looked for. The College will give an especially warm greeting to the three of this class who now have sons attending College: Rev. Arthur C. McMillan, Hon. Frederick W. Griffith, and Charles S. VanAuken.

HAMILTON EXCHANGES BANNERS OF PEACE

(Continued from p. 1)

round the pulpit. The College body rose in silent tribute. The flag is about 8 by 12 feet and is inscribed: "Presented by Robertson College in commemoration of 100 years of peace between the United States and Canada." Stars and Stripes, similarly inscribed, have gone to the Canadian College.

In closing, Dr. Farrell outlined the various relations between the two nations since 1812, and the many differences which have been settled by arbitration during the past century, holding this as an example of the success of arbitrating national disputes.

Dr. Stryker made a fitting response and asked Dr. Farrell to convey to Robertson College the thanks of Hamilton. The ceremony ended with the singing of "America" and cheers for Canada and Robertson.

—The June number of the Hamilton Literary Magazine will be in celebration of the 50th anniversary of the founding of he magazine.
